

Schedule SMLP 2020

STREAM A. Introduction to Bayesian regression modeling with brms

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00-10:00	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day
10:00 - 15:00	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)
15:00-16:00	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)
16:00-17:00	Review of topic	Review of topic	Review of topic	Review of topic	Review of topic
17:00-18:00			Christina Bergmann		Jeff Rouder

STREAM B. Advanced Bayesian data analysis

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00-10:00	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day
10:00 - 15:00	Reading and exercises	Reading and exercises	Reading and exercises	Reading and exercises	Reading and exercises
15:00-16:00	Review of topic	Review of topic	Review of topic	Review of topic	Review of topic
16:00-17:00	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises
17:00-18:00			Christina Bergmann		Jeff Rouder

STREAM C. Foundational methods in frequentist statistic

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00-10:00	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day
10:00 - 15:00	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)	Reading and exercises (HW)
15:00-16:00	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)	Discussion of solutions to exercises (HW)
16:00-17:00	Review of topic	Review of topic	Review of topic	Review of topic	Review of topic
17:00-18:00			Christina Bergmann		Jeff Rouder

STREAM D. Advanced methods in frequentist statistics with Julia

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00-10:00	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day	Introduction topic of the day
10:00 - 15:00	Reading and exercises	Reading and exercises	Reading and exercises	Reading and exercises	Reading and exercises
15:00-16:00	Review of topic	Review of topic	Review of topic	Review of topic	Review of topic
16:00-17:00	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises	Discussion of solutions to exercises
17:00-18:00			Christina Bergmann		Jeff Rouder
