

Dear all,

I would like to share some important information regarding the upcoming SMLP 2025.

### **Environmental Tips**

Please bring reusable cups or bottles for beverages! To reduce waste, we will not provide disposable cups. There will be no dinner buffets this year, but we will provide coffee and some snacks during breaks. Lunch will be self-paid; you get lunch from the cafeteria (called Mensa in German) within the building, or go a few meters towards the train station to a street stall where they sell Doener Kebab.

### **Rooms for the Summer School**

The summer school will take place in Building 6 on the Campus Griebnitzsee, which also hosts university conference facilities. On the first day, our staff members will be stationed near the main entrance in Building 6 to help you find your rooms.

Registration opens at 8:00 AM on August 25th in Building 6

### **Classrooms (also listed on the SMLP homepage schedule):**

All classrooms are located on the first floor of Building 6.

The coffee break room is in Room S 19.

Introduction to Bayesian data analysis: Room S 15

Advanced methods in frequentist statistics with Julia: Room S 16

Advances Bayesian data analysis: Room S 17

Foundational methods in frequentist statistics: Room S 18

### **Lecture Halls:**

The opening "Welcome" session (Monday at 9:00 AM), the afternoon lectures (Tuesday, Wednesday, Thursday from 5 PM) and the "Closing Remarks" (Friday at 5 PM) will take place in Lecture Hall H02 in Building 6.

### **Travel Information**

You can reach the summer school by S-Bahn (S7 from Berlin or Potsdam main stations) or regional trains RB 23 (note that RE1 does not stop at Griebnitzsee). The station is called "Griebnitzsee."
